

INDUSTRIAL MAINTENANCE MANUFACTURING ACADEMY

Find your future with this **FREE** five-day Industrial Maintenance Manufacturing Training Academy. Over the course of the six days you will be exposed to one of the fastest growing fields in the manufacturing industry and gain some hands on experience to assist you in exploring your new career. You will also visit companies who hire for these positions so you can get a feel for the workplace culture.

Learn cutting-edge technologies and be introduced to the following skills:

- Mechanical equipment installation, disassembly, and assembly
- Electrical control, motor drivers and PLC (programmable logic controllers) wiring, installation, and troubleshooting
- Hydraulic & pneumatic installation and troubleshooting
- ***Make your own flash drive!*** Use the latest equipment to create a flash drive from start to finish!

You can earn industry recognized certificates in:

- MSSC* - Maintenance Awareness
- MSSC* - Safety

* Manufacturing Skills Standards Council
